Standard setting responsibility for unit standards 57, 62, 376, 378, 11815, 11816, 11818, and 11826 was transferred to Service IQ in September 2015 but the transfer was not completed due to data errors. The standards have been revised to correct data errors and extend consent to assess for organisations that were impacted by the change in classification of the standards.
