

FIELD Service Sector**Review of *Driving* qualification****National Certificate in Driving (Four Wheel Drive (4WD) Vehicle) [Ref: 1274]**

MITO New Zealand Incorporated (MITO) has completed the review of the qualification listed above.

Date new version published**July 2018****Summary of review and consultation process**

As a result of the Targeted Review of Qualifications, MITO has now completed the process of reviewing the above qualification with industry members. The review encompassed key representatives from the 4WD sector who determined that the qualification no longer meets the current or future needs of industry. Industry supported that there is not currently, and has not been for some time, a demand for a qualification in this area.

The review resulted in a recommendation that the national qualification listed above should be designated expiring without replacement.

Main changes resulting from the review

National Certificate in Driving (Four Wheel Drive (4WD) Vehicle) [Ref: 1274]

Review category	D	See Key to Qualification Review Categories at the end of report

Transition

This qualification has been reviewed and will be designated expiring without replacement.

Learners currently enrolled in programmes leading to this qualification must complete the requirements by 31 December 2018, when the qualification will be designated as discontinued.

It is the intention of MITO that no existing learner should be disadvantaged by these transition arrangements. However, any candidate who considers they have been disadvantaged may appeal to MITO at the address below. Appeals will be considered on a case-by-case basis.

Key to Qualification Review Categories

Category A The qualification is published as a new version with the same NZQF ID	Changes are made to SSB name, contact details or purpose statement
	No change is made to title, rules or components of the qualification
	No transition arrangements are required
Category B The qualification is published as a new version with the same NZQF ID	Changes are made to title, rules or components
	The new version of the qualification recognises a similar skill set to that recognised by the previous version
	The SSB is confident that people awarded the new or previous version are comparable in terms of competence
Category C A new (replacement) qualification is published with new NZQF ID	Transition arrangements are required if candidates must gain additional/different credits for the new version
	Significant changes are made to the qualification in terms of components, structure, type or level
	The SSB views people with the replacement qualification as being significantly different in terms of competence from those with the replaced qualification
	Transition arrangements are required
Category D Qualification will expire. There is no replacement qualification	Transition may be limited to phase-out dates
	Qualification is no longer required by industry
	The qualification is designated as expiring and a last date for meeting the qualification requirements is set
