MITO New Zealand Incorporated has completed the revision and rollover of the unit standards listed above. Unit standards that have been rolled over but not revised are listed in **bold** above.

**Summary**

The standards listed above were revised, or revised and rolled over to update legislation, references and entry information relative to industry requirements.

**Main changes**

- The legislation, references and entry information were amended to ensure currency.
- The planned review dates were extended to 31 December 2023.
