The Building and Construction Industry Training Organisation has completed the revision and rollover of the unit standards listed above.

Date new versions published

June 2018

Planned review date

December 2020

Summary

The current and recently superseded versions of the standards above were inadvertently designated as expiring when they were rolled over in September 2015.

The standards have been revised to correct the errors in the last dates for assessment.

Main changes

- Amendments were made to last dates for assessment of the most recent superseded versions of the standards (changed to 'N/A').
- The unit standards were transferred from CMR 0073 to CMR 0048.
- The planned review dates were updated to December 2020.
- Legislation was updated, and the standards were transferred to the latest unit standard template.

Impact on Consent and Moderation Requirements (CMR)

The unit standards were transferred from CMR 0073 to CMR 0048.
