	Sales Transactions	11831 , 11938, 12009, 20248, 28295

ServicelQ has completed the revision of the unit standards listed above. The unit standards in **bold** have been revised and rolled-over.

Date new versions published

March 2018

Planned review date

31 December 2021

Summary

The Contract and Commercial Law Act 2017 caused references to the Sale of Goods Act 1908 in Guidance Information of the standards to be invalid. The standards were corrected to refer to the current applicable legislation.

Main changes

- References to legislation amended in all standards.
- Planned review date of standard 11831 and standard 28308 were changed to match that of other standards, and will be reviewed at the same time.
- The standards were formatted to align with current template.
- The last date for assessment of superseded versions of the unit standards listed above is 31 December 2021.
