The Whakaruruhau met in December 2017 to develop new standards, which align with outcomes of the New Zealand qualifications in Manaaki Marae. During the development process, the Whakaruruhau identified that standard 27510 needed revision for consistency with recently listed standards, as well as these new standards.

Main changes

- Guidance information was updated for consistency with other standards in the *Manaaki Marae - Marae Hospitality* subfield, already listed on the Directory of Assessment Standards.
- The two outcomes for the standard were combined into one, but the two performance criteria remain.
- Range statements were amended to provide more options as guidance.
- Four new unit standards were developed.
