Summary of review and consultation process

The review of this qualification occurred in 2019. The review encompassed consultation with key stakeholders from the rural service sector to ensure that the reviewed qualification met their current and future needs. The review resulted in the recommendation that no significant changes were required.

The recommendation of the External Working Group was that the current qualification remains fit for purpose and meets industry requirements.

Main changes resulting from the review

- The qualification was updated onto the current qualification template.
- The strategic purpose statement was been amended.
- Graduate outcome 2 was amended.
- Graduate profile conditions were removed.
