

FIELD Planning and Construction

Republication of *Construction Trades* qualification

National Certificate in Carpentry [Ref: 0016]

The Building and Construction Industry Training Organisation has republished the qualification listed above.

Date republished

November 2019

This qualification has been reviewed. The last date for assessment is 31 December 2021.

Summary

Version 11 of this qualification was republished to extend the last for assessment from 31 December 2020 to 31 December 2021. This will allow current learners to complete programmes leading to the qualification before it is discontinued.

Transition

The last date for entry into programmes leading to the qualification was 31 December 2018 and no new enrolments can occur.

The last date for assessment is 31 December 2021, when the qualification will be discontinued. All trainees must complete by this date or transition to the replacement New Zealand Certificate in Carpentry (Level 4) [Ref: 2738].

Expired unit standard 12028 has been removed from Elective B, Set 1.
