	Primary Products Food Processing - Operational Skills	29095, 29154, 29156

The Primary ITO has completed the review of the unit standards listed above.

Date new versions published

September 2019

Planned review date

December 2024

Summary

The above unit standards were reclassified to apply to a wider range of industry sectors. The reclassification was based on feedback from Primary ITO training advisers who use these unit standards in multiple programmes of industry training, and suggested they were applicable to a wider audience.

Main changes

- Four unit standards were reclassified from domains *Primary Products Food Processing - Core Skills* and *Primary Products Food Processing - Operational Skills* to domain *Primary Sector Core Skills*.
- Titles of unit standards were amended in line with the reclassification.
- Guidance information and performance criteria were checked and updated for currency.

The last date for assessment of superseded versions of Category B unit standards is December 2022
