

Field Service Sector

Review of *Heavy Haulage* unit standards

Subfield	Domain	ID
Commercial Road Transport	Heavy Haulage	1768, 23886-23890, 23892, 23894

The MITO New Zealand Incorporated has completed the review of the unit standards listed above.

Date new versions published **September 2019**

Planned review date **December 2024**

Summary

As a result of the Targeted Review of Qualifications, MITO reviewed commercial road transport unit standards to meet the requirements of the New Zealand Certificate in Commercial Road Transport (Specialist Driver) (Level 4) with strands in Transportation of Logs, Heavy Haulage Transportation, Livestock Transportation, Dangerous Goods Transportation, Waste Transportation, General Cartage, and Groundspreading [Ref: 3091], and to ensure they are fit-for-purpose for the industry sectors.

MITO was supported by the industry’s working groups including subject matter experts and MITO representatives. The standards were circulated to the working group’s networks, and ongoing consultation was held with wider industry throughout development. Feedback received was actioned where appropriate.

Main changes

- Guidance information, performance criteria, range statements and outcomes were amended to ensure relevance to industry practice and to reflect the intended outcome of the standards.
- The titles of unit standards 23887, 23890 and 23894 were changed to better reflect the intention of the unit standard.
- Credits were decreased for unit standards 23886, 23887 and 23889 to better reflect the time taken to achieve the competencies.

The last date for assessment of superseded versions of Category B unit standards is December 2021

Impact on Consent and Moderation Requirements (CMR)

Unit standards were shifted from CMR 0092 to CMR 0014.

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced

Service Sector > Commercial Road Transport > Heavy Haulage

ID	Title	Level	Credit	Review Category
1768	Pilot an overweight load and an overdimension load as a Class 2 certified pilot	4	10	B
23886	Transport by road overweight and overdimension loads that do not require a pilot or overdimension permit	4	9 7	B
23887	Transport by road piloted, overweight, category 3 overdimension loads Transport by road a piloted, overweight, Category 3 or above overdimension load that requires a permit	4	10 8	B
23888	Plan for transporting piloted overweight loads and overdimension loads by road	4	8	B
23889	Select and configure a specialist heavy haulage combination vehicle for transporting overweight and overdimension loads	4	10 8	B
23890	Demonstrate knowledge of overweight and overdimension vehicle dynamics for safe driving Describe overweight and overdimension vehicle dynamics for safe driving	4	6	B
23892	Pilot an overweight load and an overdimension load as a Class 1 certified pilot	5	10	B
23894	Demonstrate knowledge of permits and consents required for transporting a heavy haulage load Describe permits and consents required for transporting a heavy haulage load	4	8	B
