Extension of last date of assessment of *Construction Technology* unit standard 9672

The Building and Construction Industry Training Organisation has extended the last date of assessment of unit standard 9672.

Date new version published

January 2019

Reason for the extension of last date of assessment

The last date for assessment of unit standard 9672 was extended to allow providers additional time for their learners to complete the National Diploma in Building Control Surveying (Medium and Large Buildings) (Level 6) [Ref: 1487] and so that the expiry date of the qualification and the last date of assessment of the unit standard aligned.

Main changes

Unit standard 9672 last date of assessment was extended from 1 March 2019 to 31 December 2019.
