Revision of *Outdoor Recreation* unit standard 31239

Subfield	Domain	ID
Outdoor Recreation	Outdoor Education Outside The Classroom (EOTC) Leadership	31239

Skills Active Aotearoa has completed the revision of standard 31239.

Date new version published

January 2019

Planned review date

December 2023

Summary

Standard 31239 was revised as it was realised after listing that issues during the submission process led to the standard being listed with an incorrect credit value. The credits have been corrected and version 1 of the standard expired to ensure that holders of the standard have met industry expectations in terms of experience and competence.

Main changes

- Credits were corrected from 20 to 25.
- Version 1 is not available for award.
