Summary of review and consultation process

Between 2013 and 2018, a mandatory sector review of qualifications in the Performing Arts sector occurred. The review encompassed broad consultation with industry and training provider stakeholders to ensure that the new qualifications meet current and future needs.

The review resulted in the recommendation that the qualifications listed above should be developed to ensure the performing arts sector will have qualified people with the skills and knowledge to teach drama, dance, music, and other disciplines in community and professional settings.
