Careerforce has completed the review of the unit standards listed above.

Date new versions published

January 2019

Summary

The unit standards listed above have had little or no results reported in the period 2014-2018. After consultation with industry and all organisations with consent to assess against these standards, it was determined the standards should be set to expire.

Main changes

- All standards were designated expiring without replacement.

Category D unit standards will expire at the end of December 2021

Detailed list of unit standards – classification, title, level, and credits

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
