<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Aviation	Ramp Operations	26362, <b>27761</b>

ServiceIQ has completed the review and revision of the unit standards listed above. The unit standard in **bold** was revised only.

**Date new versions published**

**July 2019**

**Planned review date**

**December 2022**

**Summary**

The purpose of this review and revision was to check outcomes, performance criteria, and guidance information. Consultation was undertaken with aviation ground handling specialists to check content for currency in May 2019, and the below changes were made as a result. The review date of both standards remains unchanged at December 2022 to align with other units in this domain.

**Main changes**

- Unit standard 27761 was revised, with the only change being the inclusion of a definition to the Guidance Information section.
- Unit standard 26362 was reviewed. Additional outcomes were added, the title was amended, and the credit value was raised to 15 to cover the additional responsibility and work.
- Both unit standards were moved to Consent and Moderation Requirements (CMR) document 0028.

**The last date for assessment of superseded versions of the Category B unit standard is December 2020**

**Detailed list of unit standards – classification, title, level, and credits**

All changes are in **bold**.
