

Field Engineering and Technology

Reinstatement of *Civil Plant Operation and Management*, and *Infrastructure Works* unit standards

Subfield	Domain	ID
Civil Plant Operation and Management	Civil Plant Management	6464
Infrastructure Works	Generic Infrastructure Works	6450, 26790
	Infrastructure Works Management	6437, 6441
	Infrastructure Works Supervision	26793-26795

Connexis has completed the reinstatement and reclassification of the unit standards listed above. The unit standard that has been reclassified is listed in **bold**.

Date new versions published

June 2019

Planned review date

December 2024

Summary

These unit standards were designated expiring in January 2019. However, they are now required in programmes yet to be made available.

Main changes

- Unit standards were reinstated and the status of the unit standards was changed from 'expiring' to 'current'.
- Unit standard 6464 was reclassified so the standard could be registered in a domain with 'current' status.
- Titles of the unit standards 6464, 6441, 6450, 26793 and 26795 were amended to fully represent the outcomes.
- A last date for the most recently superseded version of each standard was specified.

Impact on existing organisations with consent to assess

Current consent for			Consent extended to		
Nature of consent	Classification or ID	Level	Nature of consent	Classification or ID	Level
Subfield	Civil Plant Operation and Management	4-7	Standard	6464	4
Domain	Civil Plant Management	4-6	Standard	6464	4

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.

Engineering and Technology > Civil Plant Operation and Management > Civil Plant Management
 Engineering and Technology > **Infrastructure Works** > **Infrastructure Works Management**

ID	Title	Level	Credit	Review Category
6464	Manage civil plant and equipment Manage maintenance tasks for civil plant and equipment	4	8	Reinstated

Engineering and Technology > Infrastructure Works > Generic Infrastructure Works

ID	Title	Level	Credit	Review Category
6450	Apply plans and specifications to calculate quantities for infrastructure works projects Apply plans and contract specifications to calculate quantities for infrastructure works projects	5	4	Reinstated
26790	Demonstrate knowledge of infrastructure works audits	5	5	Reinstated

Engineering and Technology > Infrastructure Works > Infrastructure Works Management

ID	Title	Level	Credit	Review Category
6437	Manage the hire of infrastructure works plant and equipment	5	8	Reinstated
6441	Cost and recommend plant, vehicle, or equipment options for infrastructure works Cost and recommend plant, equipment or vehicle options for infrastructure works	5	15	Reinstated

Engineering and Technology > Infrastructure Works > Infrastructure Works Supervision

ID	Title	Level	Credit	Review Category
26793	Determine and coordinate notifiable work and permit requirements for infrastructure works Determine and coordinate notifiable work and permit requirements for an infrastructure works project	5	5	Reinstated
26794	Assess, implement, and monitor infrastructure works subcontracts	5	8	Reinstated
26795	Determine, implement, and monitor quality assurance requirements for an infrastructure works project Determine, implement and monitor quality assurance procedures for an infrastructure works project	5	8	Reinstated
