Subfield	Domain	ID
Social Science Studies	History	5840

NZQA National Qualifications Services has completed the review of the unit standard listed above.

**Date new version published**

**June 2019**

**Summary**

This unit standard was reviewed in early 2019 as part of its regular scheduled maintenance. It was last reviewed in 2012, when all other *History* unit standards were replaced with achievement standards.

At the time, the standard had high usage in the tertiary sector and so it was retained. Since then, usage of the standard has dropped significantly and consultation with both the secondary and tertiary sectors has not supported retaining it.

**Main changes**

- Unit standard 5840 will be expired without replacement due to declining use.

**This Category D unit standard will expire at the end of December 2021**
