Review information

Review completed by	The Skills Organisation
Reason for the review	Scheduled review
Date replacement qualifications listed	June 2019
Next qualification review date	30 June 2024

Summary of review and consultation process

The Skills Organisation has reviewed the above qualification.

Consultation with industry indicated that the qualification remained fit for purpose. Industry accepted that condition statements were not appropriate in the qualification unless for critical health and safety, or regulated requirements.

The qualification was endorsed by industry at the Electrical Apparatus Service Association AGM.

Main changes resulting from the review

- Condition statements have been removed.
- Qualification has been updated into the latest NZQA template.
- Strategic purpose statement has been revised.
- Graduate profile outcome statements have been revised to ensure clarity.

Review outcome
