1922	New Zealand Certificate in Resource Efficiency Management	6	65

Review information

Review completed by	MITO New Zealand Incorporated (Qualification Developer)
Reason for the review	Scheduled review
Date replacement qualifications listed	June 2019
Next qualification review date	N/A

Summary of review and consultation process

The qualifications listed above have not had any usage in the last five years.

MITO consulted with industry members, subject matter experts and education organisations. The consultation confirmed that the qualifications are not required by the resource efficiency industry at this time.

The qualifications were set to expire with no replacement.

Main changes resulting from the review

The qualifications will expire at the end of December 2021, without replacement.
