

Field Community and Social Services**Review of *Outdoor Management* unit standards**

Subfield	Domain	ID
Outdoor Recreation	Outdoor Management	20146, 26391

Skills Active Aotearoa has completed the review of the unit standards listed above.

Date new versions published

March 2019

Planned review date

December 2023

Summary

The review of these unit standards was prompted by the outcomes of the mandatory review of qualifications, specifically the listing of:

- New Zealand Certificate in Assistant Outdoor Leadership (Level 3) [Ref: 3658].

Feedback from stakeholders, including schools, was gathered through an open consultation process and used to guide the development of the programmes of industry training for the qualification above, and the development and review of the associated unit standards.

The reviewed unit standards were found to no longer be fit for purpose, relevant nor aligned with outcomes listed in the new qualification.

New unit standards were developed to meet industry needs.

Main changes

- Standards 20146 and 26391 were designated expiring and not replaced as they no longer align with industry practice or leadership levels.
- Five new standards were developed.

Category D unit standards will expire at the end of December 2020**Detailed list of unit standards – classification, title, level, and credits**

All changes are in **bold**.

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and the same version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
