December 2021

Summary

This standard was revised to include haka wahine in a Māori performing arts bracket. It was never intended that haka wahine be excluded from what makes up a bracket under this standard. However, because it is not explicitly listed as an item for inclusion, it currently sits outside of what may constitute a bracket. The standard was revised to correct this omission.

Main changes

- The range statement of Outcome 1 was amended to add “haka wahine”.
