Review of *Occupational Health and Safety Practice* unit standards

Subfield	Domain	ID
Occupational Health and Safety	Occupational Health and Safety Practice	25458, 25511

The Skills Organisation has completed the review of the unit standards listed above.

Date new versions published

March 2019

Planned review date

December 2023

Summary

In October 2018, The Skills Organisation conducted a face to face meeting with industry representatives from the drug screening industry to review the unit standards listed above to ensure that the reviewed unit standards are fit for purpose and meet industry best practice.

Main changes

- Two unit standards were reviewed to meet current and future requirements of the drug screening industry;
- Unit standards were updated to reflect the new template;
- Guidance information was updated to refer to current legislation and industry best practice.

The last date for assessment of superseded versions of Category B unit standards is December 2021

Detailed list of unit standards – classification, title, level, and credits

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
