

**Field Business****Review of *Public Sector Compliance Management* unit standards**

Subfield	Domain	ID
Public Sector Services	Public Sector Compliance Management	20359-20367, 20664

The Skills Organisation (Skills) has completed the review of the unit standards listed above.

**Date new versions published**

**May 2019**

**Summary**

As part of the review of the public sector compliance qualifications and unit standards, the unit standards listed above are now deemed obsolete. The National Diploma in Public Sector Compliance Management (Weights and Measures) (Level 6) [Ref: 1113] containing these unit standards has been discontinued as part of a scheduled targeted review of qualifications.

The associated National Certificate has expired, and it is now recognised that the Public Sector's needs are better served by the current suite of New Zealand Certificates in Regulatory Compliance (Refs: 2774 – 2778), their related programmes of industry training or study, and the associated unit standards developed for these new qualifications.

**Main changes**

- The unit standards were set to expire without replacement.

**Category D unit standards will expire at the end of December 2023****Detailed list of unit standards – classification, title, level, and credits**

Key to review category	
<b>A</b>	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
<b>B</b>	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
<b>C</b>	Major changes that necessitate the registration of a replacement standard with a new ID
<b>D</b>	Standard will expire and not be replaced

Business > Public Sector Services > Public Sector Compliance Management
