Next qualification review date	31 October 2024

### Summary of review and consultation process

An External Working Group (EWG) was formed made up of industry representatives, TEOs with approved programmes, and Primary ITO staff. Meetings were held between December 2018 and July 2019 to review content, and updated documentation was also circulated for wider consultation over this period. Key changes discussed included a title change to reflect the wider primary industry sectors who have an interest in engaging with the qualification, and subsequently amended and clarified Graduate Profile Outcomes (GPOs) and revised credit values. The reviewed qualification was approved by the Primary ITO Portfolio Committee and the EWG in July 2019.

### Main changes resulting from the review

- Qualification title changed from 'New Zealand Diploma in Agribusiness Management' to 'New Zealand Diploma in Primary Industry Business Management' to reflect the wider range of sectors who had an interest in the qualification.
- Strategic Purpose Statement was updated to reflect the primary industry business management focus
- Qualification credits reduced from 150 to 120 credits due to the amount of overlap between Graduate Profile Outcomes (GPOs).
- GPOs amended to address overlap in content between GPOs and to clarify content.
- GPO credits adjusted to reflect the time to achieve the learning and assessment.
- NZSCED updated to match the change of scope from agribusiness management to primary

industry business management..

- The document was updated to the current qualification template.
