Extension of expiry date for *Vehicle Bodywork* unit standard 22800

Subfield	Domain	ID
Motor Industry	Vehicle Bodywork	22800

MITO New Zealand Incorporated has completed the extension of expiry date of the unit standard listed above.

Date new version published

August 2020

Summary

MITO rolled over unit standard 22800 to extend the expiry date at the request of an accredited provider. This ensures achievability of the National Certificate in Locksmithing (Level 4) [Ref: 0452] through a block course which has been delayed until early 2021 as a result of the Covid19 pandemic.

Main changes

- The last date for assessment of the standard was extended from 31 December 2020 to 31 December 2021.
