

Field Agriculture, Forestry and Fisheries**Review of *Forestry* unit standards**

Subfield	Domain	ID
Forestry	Forest Harvesting Operations	19761-19764
	Forest Landing Operations	16842, 17759
	Forest Mensuration	6959
	Forest Operations	6965
	Machine Operations - Forestry	6927

Competenz has completed the review of the unit standards listed above.

Date new versions published

February 2020

Summary

Competenz has reviewed these units as part of the ongoing maintenance of unit standards. The nine unit standards listed above were recommended for expiry. Stakeholders were informed and none objected to the proposal to recommend the standards for expiry.

Main changes

- All unit standards were designated expiring without replacement due to their low and declining usage.

Category D unit standards will expire at the end of December 2022

Detailed list of unit standards – classification, title, level, and credits

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
