

Field Agriculture, Forestry and Fisheries**Review of Horticulture unit standards**

Subfield	Domain	ID
Horticulture	Floriculture	833, 1795, 20699
	Floristry	12057, 20685-20696

The Primary Industry Training Organisation (Primary ITO) has completed the review of the unit standards listed above.

Date new versions published**October 2020****Summary**

Primary ITO carried out the review of unit standards which have had little or no usage over the last five years.

All consent to assess holders and providers who had reported completions were contacted in July and asked if they intended to use the unit standards, or if there was no intention to use them then their expiry was recommended. Only one consent to assess holder replied indicating they did not use these unit standards.

Main changes

- These unit standards were designated expiring without replacement.

These Category D unit standards will expire at the end of December 2022**Detailed list of unit standards – classification, title, level, and credits**

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
