MITO New Zealand Incorporated has completed the extension of expiry date of the unit standards listed above.

Date new versions published**October 2020****Summary**

The last date of assessment for the National Certificate in Motor Industry (Coachbuilding) with strands in Passenger Service Vehicles, Commercial Vehicles, and Motor Homes and Caravans (Level 4) [Ref: 0413] was extended to ensure people working towards the qualification were able to complete it. The standards required a change in expiry date to align with the extended national qualification expiry and ensure its achievability.

Main change

- The last date for assessment of these standards was extended from 31 December 2020 to 31 December 2021.
