Summary of review and consultation process

The mandatory review of rail qualifications took place in April/May 2020. An outcome of the review process was the identification of the need for further qualifications related to the national rail network and the Auckland metropolitan rail network.

As a result of this need, two new qualifications were developed in with input from industry stakeholders.

Main changes resulting from the review

The following qualifications were registered:

- New Zealand Certificate in Rail Yard Operations (Level 3) [Ref: 4327]
- New Zealand Certificate in Rail Operations (Operations Centre) (Level 3) [Ref: 4328].
