Summary

Competenz has reviewed these units as part of the scheduled 5-yearly review.

This review was conducted in consultation with Sector Advisory Groups and Technical Advisory Groups, consisting of industry experts, stakeholders and those holding the consent to assess that are using the standards.

Amendments and updates to these units were discussed at meetings that were held in the first quarter of 2020, results of these meetings were communicated via email to review participants, offering a further opportunity to provide feedback.

Main changes

- All unit standards were reclassified.
- Guidance Information, Outcomes and Performance Criteria were updated to reflect current practices.
- Some minor changes to wording were made in some unit standards to improve accuracy and clarity.
- The requirement for pre-start checks was added to unit standards 2220, 2224, 2236, 9784, 9785, 9786, 9789, 9790, 25536, 25538, and 25539.
- The credit value of unit standards 2201, 2204, and 2229 were increased to better reflect the skill level and time required to achieve the units.
- Minor changes to the titles of unit standards 2201, 2205, 2229, and 25533 were made to align with the updated wording in the outcomes and performance criteria.
- As a result of the consultation process, unit standards 9799, 9804, 18892, 18894, 25543, 25549, 25567, and 25766 were designated expiring without replacement and with no objections.
