Change report for the review of Wood Manufacturing New Zealand Qualifications

Reviewed qualifications

[Ref]	Version	Qualification title	Level	Credits
1967	1	New Zealand Certificate in Solid Wood Manufacturing (Level 2) with strands in Finger Jointing; Laminating; Pole, Post and Pile; Sawmilling; Timber Drying and Treatment; Timber Grading; Timber Machining; and Wood Pallet Manufacturing	2	45-74
1969	1	New Zealand Certificate in Solid Wood Manufacturing (Level 3) with strands in Finger Jointing; Pole, Post and Pile; Saw Doctoring; Sawmilling; Timber Drying; Timber Grading and Optimising; Timber Machining; and Timber Treatment	3	49-79
1973	1	New Zealand Certificate in Solid Wood Manufacturing (Level 4) with strands in Laminating, Timber Drying, Timber Grading, and Timber Treatment	4	45-55
1974	1	New Zealand Certificate in Timber Machining (Level 4)	4	160
2309	1	New Zealand Certificate in Wood Manufacturing (Level 2) with strands in Foundation Knowledge, Wood Handling and Distribution, and Wood Processing	2	40-41
2310	1	New Zealand Certificate in Wood Handling and Distribution (Level 3) with strands in Log Yard Operations, Timber Yarding and Despatch, and Wood Fibre Operations	3	50-55
2311	1	New Zealand Certificate in Finger Jointing (Level 4)	4	120
2313	1	New Zealand Certificate in Saw Doctoring (Level 4)	4	125
2319	1	New Zealand Certificate in Pulp and Paper Manufacturing (Level 3)	3	70
2405	1	New Zealand Certificate in Wood Panel Manufacturing (Level 2)	2	50
2406	1	New Zealand Certificate in Wood Panel Manufacturing (Level 3) with strands in Finishing, LVL and Plywood, Overlay Bonding, and Veneer Preparation	3	62-69
2407	1	New Zealand Certificate in Composite Wood Panel Manufacturing (Level 4)	4	74
2409	2	New Zealand Certificate in Sawmilling (Level 4)	4	120

Review information

Qualification Developer	Competenz
Reason for the review	Scheduled 5 year review
Review date	July 2020
Outcome date	July 2020
Next review date	31 December 2024

Summary of review and consultation process

The scheduled review of qualifications was started internally via consultation with Competenz Assessors and Training Advisors in early 2019, then into Stakeholder groups comprised of employers, industry experts, and association representatives.

The Sector Advisory Group confirmed that overall, each qualification was working well and providing the outcomes industry was seeking. Changes were largely to do with health & safety and technology changes experienced or anticipated by industry.

The usage data of each qualification was a key starting point. This was incorporated with ongoing feedback and shared at with the Sector Advisory Group. The draft qualifications were made available for feedback directly to Stakeholders with two final consultations to confirm the qualifications.

Main changes resulting from the review

The qualifications were reviewed to ensure they remained fit for purpose.

This included the following:

Outcome statement, graduate profile outcomes and indicative credits were updated, without changing the meaning and intent; qualification specifications were updated to meet current requirements for listing.

Specific changes additional to the above:

- New Zealand Certificate in Wood Manufacturing (Level 2) with strands in Wood Handling and Distribution; Wood Manufacturing Operations and Wood Processing [Ref: 2309]
 - The Foundation Knowledge strand has been replaced with Wood Manufacturing Operations.
- New Zealand Certificate in Wood Handling and Distribution (Level 3) with strands in Log Yard Operations, Paint Operations; Timber Yarding and Despatch and Wood Fibre Operations [Ref: 2310]
 - An additional strand has been added to formally recognise the skills and experience required for Paint Operations.

Review outcome

Reference	Version	Reviewed qualification	Outcome category	New qualification details/version (if applicable)
1967	1	New Zealand Certificate in Solid Wood Manufacturing (Level 2) with strands in Finger Jointing; Laminating; Pole, Post and Pile; Sawmilling; Timber Drying and Treatment; Timber Grading; Timber Machining and Wood Pallet Manufacturing	<i>B-New version of qualification</i>	1967-2
1969	1	New Zealand Certificate in Solid Wood Manufacturing (Level 3) with strands in Finger Jointing; Pole, Post and Pile; Saw Doctoring; Sawmilling; Timber Drying; Timber Grading and Optimising; Timber Machining and Timber Treatment	<i>B-New version of qualification</i>	1969-2
1973	1	New Zealand Certificate in Solid Wood Manufacturing (Level 4) with strands in Laminating; Timber Drying; Timber Grading and Timber Treatment	<i>B-New version of qualification</i>	1973-2
1974	1	New Zealand Certificate in Timber Machining (Level 4)	<i>B-New version of</i>	1974-2

			<i>qualification</i>	
2309	1	New Zealand Certificate in Wood Manufacturing (Level 2) with strands in Wood Handling and Distribution; Wood Manufacturing Operations and Wood Processing	<i>B-New version of qualification</i>	2309-2
2310	1	New Zealand Certificate in Wood Handling and Distribution (Level 3) with strands in Log Yard Operations; Paint Operations; Timber Yarding and Despatch and Wood Fibre Operations	<i>B-New version of qualification</i>	2310-2
2311	1	New Zealand Certificate in Finger Jointing (Level 4)	<i>B-New version of qualification</i>	2311-2
2313	1	New Zealand Certificate in Saw Doctoring (Level 4)	<i>B-New version of qualification</i>	2313-2
2319	1	New Zealand Certificate in Pulp and Paper Manufacturing (Level 3)	<i>B-New version of qualification</i>	2319-2
2405	1	New Zealand Certificate in Wood Panel Manufacturing (Level 2)	<i>B-New version of qualification</i>	2405-2
2406	1	New Zealand Certificate in Wood Panel Manufacturing (Level 3) with strands in Composite Panel Finishing; Laminated Veneer Lumber and Plywood; Overlay Bonding and Veneer Preparation	<i>B-New version of qualification</i>	2406-2
2407	1	New Zealand Certificate in Composite Wood Panel Manufacturing (Level 4)	<i>B-New version of qualification</i>	2407-2
2409	2	New Zealand Certificate in Sawmilling (Level 4)	<i>B-New version of qualification</i>	2409-3

Transition information

[Ref:]	Qualification title	Last date of entry *	Last date of assessment
1967-1	New Zealand Certificate in Solid Wood Manufacturing (Level 2) with strands in Finger Jointing; Laminating; Pole, Post and Pile; Sawmilling; Timber Drying and Treatment; Timber Grading; Timber Machining and Wood Pallet Manufacturing	N/A	31 December 2022
1969-1	New Zealand Certificate in Solid Wood Manufacturing (Level 3) with strands in Finger Jointing; Pole, Post and Pile; Saw Doctoring; Sawmilling; Timber Drying; Timber Grading and Optimising; Timber Machining; and Timber Treatment	N/A	31 December 2022
1973-1	New Zealand Certificate in Solid Wood Manufacturing (Level 4) with strands in Laminating, Timber Drying, Timber Grading, and Timber Treatment	N/A	31 December 2022
1974-1	New Zealand Certificate in Timber Machining (Level 4)	N/A	31 March 2023
2309-1	New Zealand Certificate in Wood Manufacturing (Level 2) with strands in Foundation Knowledge, Wood Handling and Distribution, and Wood Processing	N/A	31 December 2022
2310-1	New Zealand Certificate in Wood Handling and	N/A	31 December 2022

	Distribution (Level 3) with strands in Log Yard Operations, Timber Yarding and Despatch, and Wood Fibre Operations		
2311-1	New Zealand Certificate in Finger Jointing (Level 4)	N/A	31 December 2022
2313-1	New Zealand Certificate in Saw Doctoring (Level 4)	N/A	31 December 2022
2319-1	New Zealand Certificate in Pulp and Paper Manufacturing (Level 3)	N/A	31 December 2022
2405-1	New Zealand Certificate in Wood Panel Manufacturing (Level 2)	N/A	31 December 2022
2406-1	New Zealand Certificate in Wood Panel Manufacturing (Level 3) with strands in Finishing, LVL and Plywood, Overlay Bonding, and Veneer Preparation	N/A	31 December 2022
2407-1	New Zealand Certificate in Composite Wood Panel Manufacturing (Level 4)	N/A	31 December 2022
2409-2	New Zealand Certificate in Sawmilling (Level 4)	N/A	31 December 2022

**only required for outcome category C or D*
