Review information

Qualification Developer	Connexis Infrastructure ITO
Reason for the review	Minor change for alignment to similar qualifications
Review date	2 July 2020
Outcome date	{To be completed by NZQA when review outcome is published on NZQA website}
Next review date	31 August 2024 (unchanged)

Summary of process

As a result of reviews of other Electricity Supply qualifications, a change to a graduate profile outcome was made for consistency.

Main changes resulting from the republication

Reference to registration with the Electrical Workers Registration Board was removed from graduate profile outcome 4 in order to align wording in the Electricity Supply qualifications.
