Republication information

Qualification Developer	Primary ITO
Reason for the republication	Minor amendments.
Republication date	May 2020
Next review date	September 2023

Summary

The transition information of superseded versions of the qualifications included a last date of entry to programmes. This was not required and has been removed.

The Last Date for Assessment for the superseded versions remains unchanged.

Main changes

Transition information updated to remove the last date of entry to programmes.

Evidence requirements for managing consistency updated.
