Competenz has completed the revision and rollover of the unit standards listed above.

Date new versions published

May 2020

Planned review date

December 2022

Summary

Competenz revised these unit standards in conjunction with the review of qualifications in the forestry sector.

Competenz has a system for recording all feedback on unit standards, programmes, and qualifications from all stakeholders.

All feedback received prior to the revision and rollover from stakeholders including training providers, consent holders, industry experts and individual businesses indicate these standards remain fit for purpose until they are next reviewed.
