

## Field: Engineering and Technology

### Change report for the review of Asset Management New Zealand Qualification

#### Reviewed qualifications

[Ref]	Version	Qualification title	Level	Credits
3180	1	New Zealand Diploma in Infrastructure Asset Management (Level 6)	6	140

#### Review information

Qualification Developer	Connexis Infrastructure ITO
Reason for the review	Scheduled
Review date	June 2020
Outcome date	September 2020
Next review date	<b>September 2025</b>

#### Summary of review and consultation process

Consultation with stakeholders occurred via email and an online questionnaire during February – May 2020. A group of infrastructure representatives met with Connexis during June – July and confirmed the need for a Level 6 qualification in asset management. This discussion, and the results of the consultation, informed the qualification review.

#### Main changes resulting from the review

The qualification was updated to the current template, and Award of Qualification and Evidence of Consistency were amended to reflect current NZQA requirements.

Graduate Profile Outcome two was amended to reflect the current industry situation where companies have existing asset management plans.

An additional reference document was added to the general conditions for programmes.

#### Review outcome

Reference	Version	Reviewed qualification	Outcome category	New qualification details/version (if applicable)
3180	1	New Zealand Diploma in Infrastructure Asset Management (Level 6)	<i>B-New version of qualification</i>	3180-2
