#### Review information

Qualification Developer	MITO New Zealand Incorporated
Reason for the review	Scheduled 5-year review
Review date	December 2020
Outcome date	April 2021
Next review date	April 2026

#### Summary of review and consultation process

The scheduled review of the three qualifications listed above was conducted in 2020. The review included a broad consultation with members of the resource recovery sector via email and website consultation. This was done to ensure that the qualifications remain fit for purpose and reflective of industries ongoing needs.

The outcome of the review was to maintain the qualifications on the framework and work with industry to establish a training model to support the delivery of programmes leading to their award.

#### Main changes resulting from the review

Overall changes:

- Strategic purpose statement and qualification award were amended to ensure clarity.
- Qualifications Specifications were updated.
- Evidence requirements for assuring consistency were updated.
- General conditions for programmes were amended to align with industry requirements.
- Conditions specific to the graduate profile outcomes were removed.
