MITO New Zealand Incorporated has completed the review of the unit standards listed above.

**Date new versions published**

**April 2021**

**Planned review date**

**December 2025**

**Summary**

MITO identified a group of unit standards in the Commercial Road Transport subfield that were due or overdue for review. Unit standards were reviewed throughout 2019 and 2020.

Reviewed unit standards were sent to Consent to Assess holders in September 2020 for feedback. This feedback was addressed where appropriate.

**Main changes**

- 40 unit standards were reviewed to reflect current industry requirements and re-registered.
- Two unit standards were designated expiring as they are no longer required by industry.
- Guidance information section was updated with current industry practice and legislation.
- Unit standards, not designated as expiring, were shifted from CMR 0092 to CMR 0014.
- Titles of some unit standards were amended to better reflect the outcomes.

**Category D unit standards will expire at the end of December 2022**

**The last date for assessment of superseded versions of Category B unit standards is December 2022**

**Detailed list of unit standards – classification, title, level, and credits**

**All changes are in bold.**
