MITO New Zealand Incorporated has completed the reinstatement of the unit standards listed above.

Date new version published

April 2021

Planned review date

December 2023

Summary

In July 2019, these unit standards were designated expiring without replacement as a result of low usage. However, industry has subsequently confirmed ongoing need for the standards which are included in a programme of industry training leading to the New Zealand Certificate in Commercial Road Transport (Operations Management) [Ref: 3092] and the New Zealand Certificate in Commercial Road Transport (Senior Driver) (Level 5) [Ref: 3093].

The content of the standards has been confirmed as fit for purpose and a planned review date of 2023 has been specified.

Main changes

- Unit standards 18959, 18960, 21873 and 23823 were reinstated.
- Minor amendments were made to some outcomes, performance criteria, and guidance information across the standards.
- Title of unit standard 21873 was amended in the reinstated version to reflect the practical nature of Outcome 2.
- Standards were moved from Consent and Moderation Requirements (CMR) 0092 to CMR 0014.
