**Change report for the review of Concrete Qualifications**

**Republished qualifications**

[Ref]	Version	Qualification title	Level	Credits
0731	5	National Certificate in Concrete Production	3	88
1530	2	National Certificate in Concrete Product Manufacture (Masonry Product)	3	69

**Republication information**

<b>Qualification Developer</b>	Building and Construction Industry Training Organisation
<b>Reason for the review</b>	<b>Extension to last dates for entry into programmes leading to qualifications.</b>
<b>Republication date</b>	July 2021

**Summary of review and consultation process**

An extension to the last date for entry to programmes leading to these qualifications is required to provide prospective learners a programme to enter whilst awaiting development of standards and programmes for the replacement New Zealand qualifications.

A suite of standards has been developed, following approval of these standards, the programmes leading to the replacement qualifications will be developed.

**Main changes resulting from the review**

Last date for entry to programmes leading to these qualifications has been extended from 30 June 2021 to 31 December 2021.

The last date for assessment has been extended from 31 December 2021 to 31 December 2022, when the qualifications will be discontinued.

The qualifications have been republished to reflect these dates.

**Transition information**

Reference	Version	Qualification title	Last date of entry*	Last date of assessment
0731	5	National Certificate in Concrete Production	31/12/2021	31/12/2022
1530	2	National Certificate in Concrete Product Manufacture (Masonry Product)	31/12/2021	31/12/2022

\*only required for outcome category C or D

### **Any additional information**

People enrolled in the expiring national certificates will transfer to a programme of study or training leading to the replacement New Zealand qualification.

It is not intended that anyone be disadvantaged by this review. However, anyone who feels they have been disadvantaged can appeal to the Building and Construction Industry Training Organisation (BCITO) at the contact details below:
