MITO New Zealand Incorporated has completed the review of the unit standards listed above.

**Date new versions published**

**July 2021**

**Summary**

MITO undertook analysis of currently listed Stevedoring and Ports Industry unit standards and identified a number that are no longer being used and have not been awarded in four years or longer. The decision was made to expire these standards as they no longer align with industry needs. Consultation was carried out with consent to assess holders in June 2021 advising them of the expiry of these standards with the option to feedback. No feedback was received.

**Main changes**

- 23 unit standards were set to expire without replacement.

**These Category D unit standards will expire at the end of December 2022**
