Subfield	Domain	ID
Tourism	Casino Cashiering	14687-14699
	Casino Security	12774-12787, 19713
	Casino Surveillance	12789, 12791-12793, 12795, 12797-12799, 25672

The ServiceIQ has completed the revision and roll over of the unit standards listed above.

Date new versions published

July 2021

Planned review date

December 2023

Summary

The purpose of this revision and roll over was to update guidance information to ensure the currency of standards with industry. The planned review dates were also extended to allow time for handover to, and subsequent review by, the appropriate Workforce Development Council.

Main changes

- Planned review dates were extended to December 2023.
- Legislation and references were updated across the standards.
- Consent and Moderation Requirements (CMR) reference was updated to 0112.
