

Field Engineering and Technology, and Health

Reinstatement, and Rollover of *Electrical Appliance Servicing*, and *Occupational Health and Safety Practice* and unit standards

Subfield	Domain	ID
Electrical Engineering	Electrical Appliance Servicing	6705
Occupational Health and Safety	Occupational Health and Safety Practice	17602

The Skills Organisation has completed the reinstatement, and rollover, of the unit standards listed above.

Date new versions published

July 2021

Planned review date

December 2026

Summary

Industry requested that these standards remain available for longer than anticipated to ensure learners are not disadvantaged while completing programmes and to allow the relevant Workforce Development Council time to attend to updating resources in the future.

Main changes

- Unit standard 6705 was reinstated and reregistered.
- The last date for assessment of unit standard 17602 was extended to 31 December 2023.
