1634	2	National Certificate in Concrete Construction	4	203

#### Republication information

<b>Qualification Developer</b>	Building and Construction Industry Training Organisation
<b>Reason for the republication</b>	<b>Extension for last date for entry to and assessment of qualifications.</b>
<b>Republication date</b>	June 2021

#### Summary of review and consultation process

The last date for entry to programmes leading to these National qualifications and the last date for assessment has been extended to provide prospective learners programmes to enter whilst awaiting the development and approval of unit standards and programmes for the replacement new Zealand qualifications.

#### Main changes resulting from the review

The last date for entry to programmes leading to these qualifications has been extended from 30 June 2021 to 31 December 2021.

The last date for assessment of these qualifications has been extended from 31 December 2021 to 31 December 2022, when the qualifications will be discontinued.

The qualifications have been republished to reflect these dates.

#### Transition information

Reference	Version	Qualification title	Last date of entry*	Last date of assessment
1613	2	National Certificate in Concrete Construction (Sawing and Drilling)	31/12/21	31/12/2022
1633	2	National Certificate in Concrete Construction (Placing and Finishing)	31/12/21	31/12/2022

1635	2	National Certificate in Precast Concrete with strands	31/12/21	31/12/2022
1634	2	National Certificate in Concrete Construction	31/12/21	31/12/2022

*\*only required for outcome category C or D*

#### **Any additional information**

People enrolled in the expiring National certificates will need to complete by the last dates or transfer to a programme of study or training leading to the replacement New Zealand qualifications.

It is not intended that anyone be disadvantaged by this review. However, anyone who feels they have been disadvantaged can appeal to the Building and Construction Industry Training Organisation (BCITO) at the contact details below:
