

Field Community and Social Services**Review of Health, Disability, and Aged Support and Social Services unit standards**

| Subfield | Domain | ID |
|--------------------------------------|--|-----------|
| Health, Disability, and Aged Support | Community Support Services | 5013 |
| | Health and Disability Principles in Practice | 29523 |
| | Mental Health and Addiction Support | 22841 |
| | Whānau Ora and Community Support | 27886 |
| Social Services | Provide Social Services | 19409 |

Careerforce has completed a review of the unit standards listed above.

Date new versions published

June 2021

Planned review date

December 2026

Summary

The unit standards listed above were reviewed in consultation with key stakeholders, with subsequent input and feedback invited from all providers with consent to assess.

Unit standards 5013, 22841, 27886 and 19409 were used as part of expiring national certificate and diploma programmes. Providers that assessed against the standards during 2016-2020 indicated they would not use the standards in other programmes. Therefore, Careerforce has designated the standards expiring.

Main changes

- Unit standards 5013, 22841, 27886 and 19409 were designated expiring.
- Guidance Information in 29523 was updated. This included updates to New Zealand standards, definitions, assessment notes, and references.
- The language and formatting of outcomes and performance criteria in 29523 have been amended to better reflect the requirements of the standard.
- Standard 29523 includes an additional outcome (outcome 4).
- Standard 32516 is a new standard developed as a result of the review process.

Category D unit standards will expire at the end of December 2023

The last date for assessment of superseded versions of Category B unit standards is December 2023

Detailed list of unit standards – classification, title, level, and credits

| Key to review category | |
|-------------------------------|---|
| A | Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number |
| B | Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number |
| C | Major changes that necessitate the registration of a replacement standard with a new ID |
| D | Standard will expire and not be replaced |
