

Field Community and Social Services

Review of Health, Disability, and Aged Support and Community Support unit standards

| Subfield | Domain | ID |
|--------------------------------------|---|----------------------------|
| Community Support | Disability Support Assessment, Planning, and Coordination | 24661 |
| Health, Disability, and Aged Support | Health and Disability Principles in Practice | 26851, 26853, 26854, 27885 |

Careerforce has completed a review of the unit standards listed above.

Date new versions published

June 2021

Planned review date

December 2026

Summary

The unit standards listed above were reviewed in consultation with Careerforce’s Disability Advisory Group, with subsequent input and feedback invited from all providers who have consent to assess.

Main changes

- The titles of four standards were updated to reflect the industry’s preferred terminology.
- Guidance information for New Zealand standards, definitions, assessment notes and references were updated.
- The language and formatting of outcomes and performance criteria in all standards were amended to better reflect the requirements of the standards.
- Unit standard 24661 was reclassified in the *Health and Disability Principles in Practice* domain from the expiring *Disability Support Assessment, Planning, and Coordination* domain.

The last date for assessment of superseded versions of Category B unit standards is December 2023

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.

| Key to review category | |
|------------------------|---|
| A | Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number |
| B | Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number |
| C | Major changes that necessitate the registration of a replacement standard with a new ID |
| D | Standard will expire and not be replaced |
