The Skills Organisation has completed the rollover of the unit standards listed above.

Date new versions published

June 2021

Planned review date

December 2023

Summary

These unit standards were revised within the past two years and have been checked with providers again this year – they indicated that no changes were needed. The check in with stakeholders confirms a full review is not needed, that the standards remain fit-for-purpose and that they can be rolled over until 2023.
