

**Field      Engineering and Technology****Review of *Coachbuilding* unit standards**

Subfield	Domain	ID
Motor Industry	Coachbuilding	10731, 10752, 10756, 11695-11697, 11704, 11708, 11712-11714, 11718, 11719, 11721

MITO New Zealand Incorporated has completed the review of the unit standards listed above.

**Date new versions published**

**June 2021**

**Summary**

MITO undertook analysis of currently listed Coachbuilding unit standards and identified fourteen that are no longer being used and have not been awarded in four years or longer or have had minimal usage over this period of time. The decision was made to expire these standards as they no longer align with industry need.

**Main changes**

- 14 unit standards were designated expiring without replacement

**Category D unit standards will expire at the end of December 2023**

**Detailed list of unit standards – classification, title, level, and credits**

Key to review category	
<b>A</b>	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
<b>B</b>	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
<b>C</b>	Major changes that necessitate the registration of a replacement standard with a new ID
<b>D</b>	Standard will expire and not be replaced
