MITO New Zealand Incorporated has completed the review of the unit standards listed above.

**Date new versions published**

**May 2021**

**Planned review date**

**December 2025**

**Summary**

MITO identified a group of unit standards in the Logistics subfield that were due or overdue for review. Unit standards were reviewed throughout 2020.

Reviewed unit standards were sent to Consent to Assess holders in early 2020 for feedback, and a website consultation period held in late 2020. Feedback received was addressed where appropriate.

**Main changes**

- Titles of unit standards 2962, 2964, 13240, 13251, 13252, 19033, 21803, 21805, and 25720 were amended to better align with the outcomes of the standards.
- Guidance Information section was updated to reflect current legislation and industry practice.
- Performance criteria wording was changed from active to passive voice.
- Unit standards were listed using the current template.
- Unit standards were shifted from CMR 0092 to CMR 0014.

**The last date for assessment of superseded versions of Category B unit standards is December 2023**
