### Review of *Injury Prevention* unit standards

Subfield	Domain	ID
Public Health	Injury Prevention	22236, 22237, 22238, 22239

The Skills Organisation has completed the review of the unit standards listed above.

**Date new versions published**

**May 2021**

**Planned review date**

**December 2025**

#### Summary

Unit standards 22236, 22238, and 22239 are not being used. The main user of standard 22237 is Universal College of Learning (UCOL) Limited. UCOL was specifically asked if they intend to continue using that standard and they confirmed that they will.

#### Main changes

- US 22237 was retained, with no substantive changes but updated to current NZQA template requirements.
- US 22236, 22238 and 22239 were designated expiring without replacement, with a last date for assessment of 31 December 2022.

**Category D unit standards will expire at the end of December 2022**

**The last date for assessment of superseded versions of the Category B unit standards is December 2022**

#### Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.

Key to review category	
<b>A</b>	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
<b>B</b>	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
<b>C</b>	Major changes that necessitate the registration of a replacement standard with a new ID
<b>D</b>	Standard will expire and not be replaced

Health > Public Health > Injury Prevention

ID	Title	Level	Credit	Review Category
