Review information

Qualification Developer	Waihanga Ara Rau Construction and Infrastructure Workforce Development Council
Reason for the republication	Extension for last date for entry to and assessment of qualifications.
Republication date	December 2021

Summary of review and consultation process

The last date for entry to programmes leading to these New Zealand qualifications and the last date for assessment has been extended to provide prospective learners programmes to enter whilst awaiting the development and approval of programmes for the replacement New Zealand qualifications.

There are a number of learners who have been unable to complete learning and assessment due to the restrictions and impacts of Covid-19 throughout the country.

Main changes resulting from the review

New Zealand Certificate in Foundation Construction (Level 3) with strands in Concrete Foundation Walls and Concrete Slab On-ground, and Pile Foundations.

The last date for assessment of version 1 of this qualification has been extended from 31 December 2021 to 31 December 2022.

New Zealand Certificate in Construction Related Trades (Supervisor) (Level 4) [Ref: 2381-2]

New Zealand Certificate in Construction Related Trades (Main Contract Supervision) (Level 5) [Ref: 2382-2].

The last date for entry to programmes leading to these qualifications has been extended from 31 December 2021 to 31 December 2022.

The last date for assessment of these qualifications has been extended from 31 December 2022 to 31 December 2023, when the qualifications will be discontinued.

The qualifications have been republished to reflect these dates.
